MO•MEN•TUM

\ mō-'men-təm -- noun

1. strength or force gained by motion or by a series of events
2. power to keep moving forward

As we celebrate the 75th anniversary of EIBC, we can't help but believe this awesome facility will still be used for many generations to come. Significant MOMENTUM is building right now to propel this impactful and fruitful ministry well into the future.

Just since 2012 EIBC has grown significantly.

- 36% increase in summer camp attendance and growing
- 50% increase in conference and retreat participation (college campus ministries, junior and senior high youth groups, men's and women's groups, just to name a few).
- We are breaking ground on a huge pond expansion this coming fall.
- In summer 2018 alone we had over 40 summer youth campers make a decision to put their personal faith and trust in Christ.
- Well over \$550,000 of campus improvements (chapel renovation, Newton Building addition, new staff residence, 700 ft. zip line, pond storage building just to name a few)

We feel called to expand.

For 2020 and beyond, we want to maximize the potential of our 40 acres for the **Gospel to be shared with even more campers** with key facility improvements:

- 1. A new multipurpose building.** This would include a gymnasium, locker rooms, commercial kitchen, dining, and year-round bunk rooms. This would give us the ability to serve larger retreat groups, increase our dining capabilities, improve recreation offerings, expand activities on rainy summer days, and open the door to be able to serve 2 groups simultaneously.
- 2. A new swimming pool.** Our current pool is nearly 50 years old and needs to be replaced. The pool would be built in conjunction with the multi-purpose building so the locker/shower rooms could be shared.
- 3. Additional year-round lodging.** This would allow us to have additional and more modern summer camp lodging, increased overall bed space, and more housing options to better serve 2 groups at the same time.

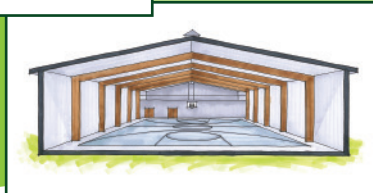

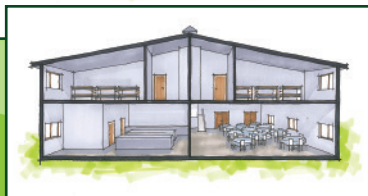

GYM/MULTI-USE BUILDING WITH ATTACHED OUTDOOR SWIMMING POOL

NEW YEAR-ROUND GRAIN BIN STYLE LODGING

Our goal is to raise \$650,000 to accomplish this next phase of our campus improvement through both one time giving, pledges, and recurring financial partnerships. To learn more about how to partner with us on this project go to www.loveeibc.org/momentum.
